66% Planning Completed
24% Implementation

21st Century Maricopa:

Key Areas Progress Update

- Business Services
- Student Success
- Information Technology

21st Century Maricopa:

Student Success

- Develop a single transcript request interface where students can request transcript information at one time no matter how many MCCCDColleges they have attended.
- Automatically post and transfer all courses completed at any MCCCDCollege when a student enrolls at another MCCCDCollege.

21st Century Maricopa:

Student Success

- Create college-specific accountability plans that align their strategic plans with District's vision and priorities and promotes data-driven decision making.
- Promote effective planning and leadership to drive collaborative and continuous improvement.

21st Century Maricopa:

Student Success

- Seek continuous feedback from and collaborate with customers and stakeholders such as students, staff, faculty, and community partners.
- Use the voice of community and professional leaders to develop academic and vocational programs that prepare students to meet the needs of the local market.

21st Century Maricopa:

Information Technology

- IT support & maintenance agreements
- Integrate placement testing tools with the Student Information System (SIS)
